ISOE WEBSITE NEWSLETTER No. 01

January-March 2011

"Dear ISOE Members, this newsletter has been created to inform you about the last information posted on the ISOE Website and available to the ISOE community. If you wish to publish some documents on the Website, please feel free to send them to ETC using the following address: isoe@cepn.asso.fr"

ALARA TOOLS

The ALARA tools section of the ISOE RP Library provides you with alpha value documents, ALARA Posters and ALARA Procedures.

2 new documents have been posted in the ALARA procedures topic:

- [ALARA Committee Terms of Reference at Sizewell B NPP \(UK\):](#)

The document establishes the Terms of Reference for the ALARA Committee at Sizewell B NPP.

- [ALARA Procedure at Cook NPP \(USA\):](#)

The document establishes the methods and procedures used to evaluate and review work activities performed in radiological areas at the Cook Nuclear Plant in order to maintain personnel Total Effective Dose Equivalent (TEDE), both individually and collectively, As Low As Is Reasonably Achievable (ALARA).

RP FORUM DOCUMENTS

This section of the ISOE RP library has been created to group together the syntheses of the requests posted on the ISOE RP Forum. The syntheses are presented by themes and according to their groups of discussion: ISOE Members or Utilities Only.

Up to now, 5 themes have been developed:

- Radiation Monitoring: 3 documents
- Radioactive releases: 2 documents
- RP Management: 6 documents
- RP Practices / Procedures: 7 documents
- Training and Education: 1 document

Last documents posted on the ISOE Website

RP Library

- ETC Benchmarking Report: Trillo NPP (Spain)
- Training Document: Borssele Booklet
- RP Experience Reports:
 - Routine Quality Checks of the Personal Dosimetry System at Ringhals NPP (Sweden)
 - Comments on how discrepancies between dosimeter systems used are dealt with at Ringhals (Sweden)
 - Krško NPP (Slovenia) - Management of dose reduction programme

Symposium

- 2011 ISOE North-American Symposium Proceedings, Fort Lauderdale (USA), 10-12 January 2011

Publications

- ETC Information Sheets No. 53 on European Dosimetric Results for 2009

Last requests posted on the ISOE RP Forum

For Utilities only

- High Radiation Area
- Portable Contamination Monitor
- Contamination control outdoors
